Work was completed to extend the Wabash Heritage Trail by more than 1 ½ miles into and through Happy Hollow Park (several other improvements to enhance the safety and convenience of all the people who enjoy the park are still being made). Construction of a trail connection segment at the southeast corner of the State Street and Tapawingo Drive intersection is also underway. New trailhead and interpretive signs are being completed for installation along the entire West Lafayette part of the Wabash Heritage Trail.

The last weekly Sagamore West Farmers' Market was October 31. Thanks to the market workers and the vendors for their excellent work to make the eighth year of the market such a success. The annual pre-Thanksgiving market will be November 21.
